

Villas of Kings Crossing Newsletter

September 2025

End of season is fast approaching and before long our snowbirds will be flying (driving for some) back to Lake Suzy. We hope to resume our pot luck gatherings by October as well as our Bunco games.

Please note that Desoto County will be repaving Southwest Kingsway Circle from Kings Highway up to and around Egret Circle. There's a notice posted on the bulletin board as well as an email that was sent to all last week with as many details as we know at this time.

Welcome to our new neighbor, Ralph Galietti who recently bought Susan Thackeray's unit. Please say hi and welcome Ralph if you see him in the neighborhood.

Susan is now living at Solaris Healthcare on Kings Highway in Port Charlotte. She would love visits and cards. She's doing well and adjusting to her new environment. We do miss her.

Not much happening around here other than a lot of rain. However, we've been lucky enough to get some good pool time in. Those of us who go to the pool are enjoying the refreshing respite from the very hot weather.

Reminder that our library at the pool house has a lot of books which you might want to consider borrowing to get through the rainy part of the days. If you have any books you would like to donate, there's a basket on top of the refrigerator to deposit them.

September birthdays – Claudia Bachman and Gerald Roberts, September 8th; Sherry Whittaker, September 17th and Fran Tobin, September 27th. No anniversaries to report this month.

I am attaching an updated phone list. Please let me know if there are any changes noticed.

Please keep your carriage lights on for safety and continuity.

Roz Seale
