

Villas of Kings Crossing Newsletter

February 2026

Hope everyone is staying warm during this temporary cold spell. Hopefully we will get back to the weather we came here for and pool time soon.

On Thursday, January 22nd we held a pot luck supper at the pool house. The theme was Chinese New Year's. It was extremely well attended and all had a great time sampling Chinese style dishes brought by everyone.

Our neighbors, Suzanne and Gerald Roberts will be celebrating their 50th anniversary this month and are hosting a get together at the pool house on Friday, February 27th at 4:30 p.m. to socialize and 5 p.m. for dinner. A flyer with details is on the mail box bulletin board and on the pool house board.

Note on our irrigation (sprinkler) system and pool fountains. Due to the water table (aquifer) being below our wells the irrigation system was turned off last week. With the low water level and the severe cold, the fountains have been turned off as well so we won't risk damage to our expensive fountains. Hopefully we'll get some warmer weather and some rain soon and will have everything running again.

Please note that the annual meeting of the Villas of Kings Crossing will be held at the pool house on Friday, March 6th at 1 p.m. You have received a first notice and will be receiving a second notice by mail and the agenda will be posted on the bulletin board. Also, the new monthly dues of \$515 will be due for March 1st. You should have received your payment books by now.

Happy belated birthday to Sharon Tingley on January 11th. Hope it was a fun day. Happy birthday to Sylvia Dunn and Robin Martino on February 2nd and Ann Condon on the 17th. And happy anniversary to Suzanne and Gerald Roberts on February 27th.

BIRTHDAY!

Please keep your carriage lights on for safety and continuity.

Roz Seale
